

Carbondale Park District Childcare Advisory Meeting

Date: May 5th, 2020

6:00PM on Zoom

Meeting ID: 352 246 3098

- I. Call to order
- II. Old business
- III. New business
- IV. Staff Reports-Alice Wright

Staff Reports-Alice Wright/ Kids Korner

- I. Both centers are closed for the month of May following the Governor Pritzker's orders.
- II. Staff disinfected all toys, walls and frequently touched surfaces in all the classrooms/ bathrooms.
- III. Both centers are working on improvements to the buildings and continuing to clean each week. We would like to ensure you that the cleaning will be heightened extensively upon return and will continue as recommended by the local health department and the CDC. Staff will be provided with up to date training on the most current and best practices for a safe and clean environment.
- IV. Staff began to hold meetings through Zoom in order to connect with their students. They will continue to be holding weekly or bi-weekly meetings. Staff is also providing weekly activity ideas for the families to do while home. If your child is interested in those meetings or activities, they are announced on the parent Facebook page: Alice Wright/KK Parents Group.
- V. We are not sure at this point as to what is exactly going to be required upon re-opening. So please be prepared for some changes. We will continue to try and reduce the spread of the virus by taking extra precautions as we open back up. There will be more guidance on this as we continue to adapt these new policies and procedures.
- VI. Directors will be contacting all parents this month to see who will be returning for the summer programs. We are planning to open back up when the Governor lifts the stay at

home order. Please be patient with us while we wait to see when this exact date will be. Our staff and family's health is our main priority.
